Dear Friends,

Farmington Future is a group of concerned citizens, town leaders, parent leaders, and grandparents who want to help shape the future of Farmington. We are committed to a thoughtful, knowledgeable, and fiscally responsible process of supporting excellence in our town. Our volunteers work to see that the Town Council and the Board of Education allocate the funds necessary to sustain and improve our town programs, school, services, and infrastructure. These efforts take the support of many, and we ask that you help by volunteering your time and/or making a financial contribution to our organization.

Please consider a (non-tax-deductible) donation to Farmington Future. Funds raised will strengthen our efforts in encouraging the community to come together and support our town's budget each year as well as projects that benefit our community. Farmington Future will continue to communicate the critical aspects of the budget and other crucial issues, stimulate thoughtful dialogue, and increase voter participation.

Those interested in hearing more about volunteer opportunities can contact us via email, Facebook, or our website. Our work is crucial to the vitality of our community, and brings along with it great satisfaction. We hope you will join us!
